This easy to use web-based kit contains 'fill-in-the-blank' forms to complete your filing without an attorney.. Since unmarried couples who live together generally do not have the same legal structures or protections available to them as do married people, it is important that the partner couple address these issues with a comprehensive set of legal documents.

These infections might corrupt your computer installation or breach your privacy.. The Life Partners Cohabitation Agreements software from Standard Legal is just the comprehensive package required! Protect your property rights, your health care decisions and your peace of mind with Standard Legal's Cohabitation Agreements legal forms software! File for uncontested Divorce or Dissolution without an attorney! Standard Legal's Divorce software package is offered for couples with or without children looking to file a No Fault Divorce.

legal software
